Price 5 500 000 (ex. VAT)

We are delighted to offer this exclusive 2025 Princess S80, presented in new condition and available immediately on the French Riviera. This exceptional sportsfly combines the generous space of a flybridge with the sleek profile and performance of a sports yacht, offering a rare opportunity to purchase a brand-new model at a brokerage price – around £700,000 less than an identical new build.

The main deck features a vast sociable cockpit – the largest in her class – perfect for entertaining, relaxing, or dining alfresco. Inside, a seamless saloon-cockpit connection, panoramic windows, and a sociable galley create an inviting, light-filled living space.

Below deck, she offers four beautifully appointed en-suite cabins for up to eight guests, including a full-beam master suite and a forward VIP, plus well-equipped crew quarters for two.

Contact us today for the full specification, photos, and video tour.

LAYOUTS

FLYBRIDGE

MAIN DECK

LOWER DECK

EQUIPMENT
